

Please do not weaken New Jersey's Do Not Call regulations. Our family greatly appreciates NOT being disturbed by unwanted solicitors using our personal phone lines for marketing purposes. We have a busy household and a new baby living with us. Our family would greatly appreciate not having to "waste our precious time" or disturb our new baby's rest with unnecessary marketing phone calls.

We would NEVER buy ANYTHING through telemarketing. We find it an extreme violation of our privacy to let "strangers" intrude in our home and personal life.

We have greatly appreciated New Jersey's Do Not Call laws. Please do not weaken these laws!
